

PLASTIC SCANNER – PSMK2

plasticpreneur[®]
part of erema group

LIST PRICE*

PSMK2

€ 3,590

Customs tariff number:

HS84146000

Dimensions:	15 x 10 x 17 cm (L x W x H)	Standards:
Weight:	0.7 kg	EUROPEAN
Power input:	200-240 V, 50-60 Hz	SAFETY
Total power:	5 W, supplied via the included USB adapter with international plugs	STANDARDS
Internal battery:	built-in 2400 mAh Li-Po rechargeable battery, 6 hours of continuous measurements	
Plug:	TYPE F (EU) TYPE G (GBR) TYPE B – Adapter (USA, CAN, JPN)	
Packaging:	comes in an aluminium case	
Operating principle:	transmittance-reflectance NIR spectroscopy, 1550-1950 nm – 2 NIR lamps built-in	
Algorithms & library:	state-of-the-art machine learning / AI algorithms included, no additional setup or fees. Own libraries can be created	
Identification speed:	< 1 s	
Connectivity:	Wi-Fi (2.4 GHz) for updates & connection to our cloud, Bluetooth 4.0 for connecting to the app	
Included:	app & cloud, as well as 1 GB of data storage and open-source communication library
